EXPERIENCE

Software Engineer | Chetu India, Noida

JUL 2019 – PRESENT

Here I am working as a software engineer and I worked on some US based clients project which assigned to me and attended client meeting also demonstrate weekly task to client and push my code to TFS, I am learning several things here and updating myself with challenging environment.

Dot Net Developer | Kazma Technology, Kolkata

DEC 2018 – JUN 2019

I worked on several projects with great team and explored more latest technologies and trends also found a good mentor who always motivated me to push some extra mile for my projects as well as my career and goals. Some of projects which I built here are Jain furnishing, Vship crm, Weerp.

Dot Net Developer | Medtelerad Healthcare, Kolkata

JUL 2017 – NOV 2018

I started my career with Medtelerad Healthcare and built several modern healthcare applications and contributed in several parts of decision making as it was a startup so I worked from starting face of Medtelerad products and as I was just 2nd employee in development team so I learnt a lot of things there. Some of the product which I built here are Medtelerad PACS, Spandan PACS, Addenex PACS.
